

Addendum 1

March 6, 2020

RFP R20-01 Regenerative Street Sweeper – Addendum No. 1

This addendum forms part of the RFP document and shall be read, interpreted, and coordinated with all other parts. The costs of all work contained herein shall be included in the proposal submission. The following revisions supersede the information contained in the original documents to the extent referenced and shall become part thereof.

Item No. 1 – Clarification

Delete section A.8 and replace with:

“One (1) 50-gallon fuel tank, preferred minimum capacity, shall be easily accessible without raising or shifting any components. A fuel gauge, in cab, shall be supplied. Sight tube is not acceptable. “

We are seeking a single engine unit.

Acknowledgement of this Addendum as part of your submission is required.

End of Addendum No. 1
