RFP R21-08 Downtown Wayfinding Sign Pylons – Addendum No. 3

This addendum forms part of the RFP document and shall be read, interpreted, and coordinated with all other parts. The costs of all work contained herein shall be included in the submission. The following revisions supersede the information contained in the original documents to the extent referenced and shall become part thereof.

Item No. 1 – Clarifications

1. The City has no preference for how the corners of the pylons come together.
 2. The City will be installing all pylons in sidewalks.
 3. The City will consider fasteners on the outside of the pylons as long as they are tamper proof and placement doesn't impact the image at all.
