- (c) Where a meter is found not to register, the charge shall be computed on the basis of the amount of water used during the time the meter was working, or from any other information or source which can be obtained, and such amount so composed shall be paid by the consumer.
- (d) Where a commercial or industrial consumer has not been connected to a water meter through non-availability of the water meter or because of special exemption being granted by the City, water charges to the consumer will be computed on the basis of consumption recorded for other similar purposes in the City, or from any other information or source which can be obtained, and such amount so computed shall be paid by the consumer.
- (e) Where it has been determined that a water leak has occurred during the last billing period on the buried portion of the service between the water meter and the point where the service pipe enters the building, a maximum one time rebate of 40% of the metered water utility fee to compensate for the water leak will be made at the discretion of the Finance Officer based on the following:
  - i. The leak occurred on the buried water service;
  - ii. That a leak of that nature would have caused the volume of excess water usage;
  - iii. The leak did not occur as a result of negligence of the owner;
  - iv. The owner has provided satisfactory evidence that the leak has been permanently repaired.

**WATER METER RENTALS**

Water meter fee shall be as follows:

\$35.00 per call

**3. SUPPLY OF WATER FROM FIRE HYDRANTS OR OTHER SOURCE**

- (a) Water may be supplied from a fire hydrant or other for the use of developers during the course of construction of multi-family, industrial, and commercial developments. The charge for such water usage shall be:

For buildings with a gross floor area up to and including 250 square meters	\$250.00
For buildings greater than a gross floor area of 250 square meters	Minimum charge of \$250.00, plus \$0.10 per square meter for floor area in excess of 250 square meters.

- (b) Where water is supplied from a fire hydrant or other non-metered source for other uses, the amount of water supplied will be invoiced in accordance with Section 2 – Water Utility Users Rates – Metered Water.

- (c) Charge to service fire hydrant after use:

\$95.00 and/or any service costs that may arise from servicing a hydrant in respect of its use.

**4. UTILITY BILLING ADJUSTMENTS AND COLLECTION**

- a) Where a billing error is suspected by the consumer, notification in writing must be made to the City of Courtenay Finance Department within one year of the original billing date for review and consideration. Upon investigation, if it is determined by the City that an error occurred and the consumer has been overcharged, an adjustment will be made to the utility bill in question in an amount to be determined by the City. The City will not provide refunds or adjustments to billing errors made more than two years prior to the date of the notification being received by the City.

- b) The rates and charges, enumerated in this Bylaw, are hereby imposed and levied for water supplied or ready to be supplied by the City and for the provision of the service and other water related services. All such rates and charges which are imposed for work done or services provided to lands or improvements shall form a charge on those lands which may be recovered from the Owner of the lands in the same manner and by the same means as unpaid taxes.

### **3. UTILITY BILLING ADJUSTMENTS AND COLLECTION**

- a) Where a billing error is suspected by the consumer, notification in writing must be made to the City of Courtenay Finance Department within one year of the original billing date for review and consideration. Upon investigation, if it is determined by the City that an error occurred and the consumer has been overcharged, an adjustment will be made to the utility bill in question in an amount to be determined by the City. The City will not provide refunds or adjustments to billing errors made more than two years prior to the date of the notification being received by the City.
  
- b) The rates and charges, enumerated in this Bylaw, are hereby imposed and levied for sewer utility services supplied or ready to be supplied by the City. All such rates and charges which are imposed for work done or services provided to lands or improvements shall form a charge on those lands which may be recovered from the Owner of the lands in the same manner and by the same means as unpaid taxes.
