MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian Public Sector Accounting Standards and are outlined under "Significant Accounting Policies" in the notes to the financial statements, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council of the City of Courtenay is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control.

The external auditors, MNP LLP, conduct an independent examination, in accordance with Canadian Public Sector accounting standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

On behalf of the Corporation of the City of Courtenay:

Brian Parschauer, BA, CPA, CMA

Director of Financial Services

June 19, 2017

Independent Auditors' Report

To the Mayor and Council of the City of Courtenay:

We have audited the consolidated statement of financial position of The Corporation of the City of Courtenay as at December 31, 2016 and the consolidated statements of operations, change in net financial assets and cash flow, and related schedules 1, 3, 4 and 5 for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation.

We believe the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2016 the results of its operations, changes in its net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matters

Our audit was performed for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The current year's supplementary information, including schedules 1 to 5, has been presented for purposes of additional analysis. The supplementary information in Schedules 1, 3, 4 and 5 has been subjected to the auditing procedures applied in the consolidated financial statements and in our opinion, this supplementary information is presented fairly, in all material respects, in relation to the consolidated financial statements taken as a whole. We do not express an opinion on Schedule 2 because our examination did not extend to the detailed information therein.

PAGE 1 OF 14

The Corporation of the City of Courtenay was incorporated in 1915 under the provisions of the British Columbia Municipal Act. Its principal activities are the provision of local government services to the residents of the Municipality.

1. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Presentation

It is the policy of the City to follow Canadian public sector accounting standards and to apply such principles consistently. The consolidated financial statements include the operations of General, Water Utility, Sewer, Capital, Reserve Funds, and the Sid Williams Theatre Society, a controlled entity. Transactions between these funds, and between the City and the Sid Williams Theatre Society, have been eliminated on consolidation. The consolidated financial statements have been prepared using guidelines issued by the Public Sector Accounting Board of CPA Canada. The financial resources and operations of the City have been consolidated for financial statement purposes and include the accounts of all of the funds and equity in tangible capital assets of the City. As part of the supplementary information, the resources and operation of the City are segregated into various funds for accounting and financial reporting purposes, each being treated as a separate entity with responsibility for the stewardship of the assets allocated to it.

(b) Revenue and Expense Recognition

Expenses are recorded in the period in which the goods or services are acquired and a liability is incurred.

Amortization is based on the estimated useful lives of tangible capital assets.

Revenue is recorded in the period in which the transactions or events that gave rise to the revenue occur. Amounts that have been received from non-government sources in advance of services being rendered are recorded as deferred revenue until the City discharges the obligations that led to the collection of funds. Following are the types of revenue received and a description of their recognition:

Taxes for Municipal Purposes are recognized in the year levied.

Sale of Services are recognized in the year that the service is provided or the amount is earned, provided the amount can be estimated and collection is reasonably assured.

Revenues from own sources are recognized in the period in which the transactions or events that gave rise to the revenue occur or are earned, provided the amount can be estimated and collection is reasonably assured.

The City recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the City recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Contributions are recorded when the event giving rise to the contribution occurs.

DCC Revenue is recorded in the year that it is used to fund a capital project and has been authorized by bylaw.

PAGE 2 OF 14

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment income, taxation penalties, and actuarial earnings are recorded in the year they are earned.

(c) Accrued Payroll Benefits

Earned but unpaid vacation is fully accrued and recorded in the financial statements.

Post employment benefits are accrued and recorded in the financial statements. This amount is provided by an Actuary that the City has engaged.

(d) Use of Estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Accounts Receivable are stated after evaluation of their collectability. Post employment benefits are calculated by an Actuary. Amortization is based on the estimated useful lives of tangible capital assets. These estimates and assumptions are reviewed periodically and as adjustments become necessary they are reported in earnings in the periods in which they become known. Liabilities for contaminated sites are estimated based on the best information available regarding potentially contaminated sites that the City of Courtenay is responsible for.

(e) Inventories

Inventories are valued at the lower of cost and replacement cost.

(f) Tangible Capital Assets

Tangible capital assets are recorded at cost, net of capital asset disposals, write-downs and amortization. Tangible capital asset expenditures exceeding the following thresholds per major category are capitalized. The average useful life is applied straight line to calculate amortization. In the year of acquisition and disposal, amortization is taken at one-half of the calculated amounts.

Major Asset Category	Threshold	Average Useful Life
Land	\$1	Indefinite
Land Improvements	\$10,000	Varies from 10 to 40 years
Building	\$10,000	Varies from 25 to 60 years
Vehicles,	\$5,000 to \$10,000	Varies from 5 to 25 years
Machinery/Equipment		
Engineering Structures		
Roads	\$5,000 to \$50,000	Varies from 10 to 60 years
Water	\$5000 to \$10,000	Varies from 8 to 80 years
Sewer	\$10,000	Varies from 8 to 60 years
Other – Includes Storm	\$10,000	Varies from 25 to 75 years
Other Tangible Capital Assets	\$5,000	5 years
(includes IT software)		

PAGE 3 OF 14

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

Carrying costs directly attributable to the acquisition, construction or development activity, excluding interest costs, are capitalized to the point in time the asset is substantially complete and ready for use. Contributed tangible capital assets are recorded at their fair value on the date of contribution. Assets under construction are not amortized until the asset is in use.

(g) Financial Instruments

Financial Instruments consist of cash on hand and deposit, term deposits, receivables, accounts payable, trusts and other deposits, and long-term debt. It is management's opinion that the Municipality is not exposed to significant interest, currency, exchange, or credit risk arising from these financial instruments.

(h) Debt Charges

Interest payments are charged against current fund balances in the period they become payable and have been accrued to December 31, 2016. Actuarial adjustments are offset against interest charged. Principal payments are applied directly to loan balances in the period they accrue.

(i) Receivables

Following is a breakdown of receivables outstanding at December 31, 2016 with 2015 comparatives:

	2016			2015
Fodoval Covernment	\$	206,198	\$	179,108

PAGE 4 OF 14

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(k) Liability for Contaminated Sites

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when; contamination exceeding an environmental standard exists, the City of Courtenay is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at December 31, 2016.

At each financial reporting date, the City of Courtenay reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period when revisions are made. The City of Courtenay continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

(1) Recent Accounting Pronouncements

PS 2200 Related Party Disclosures

In March 2015, as part of the CPA Canada Public Sector Accounting Handbook Revisions Release No. 42, the Public Sector Accounting Board (PSAB) issued a new standard, PS 2200 Related Party Disclosures.

This new Section defines related party and established disclosures required for related party transactions. Disclosure of information about related party transactions and the relationship underlying them is required when they have occurred at a value different from that which would have been arrived at if the parties were unrelated, and they have, or could have, a material financial effect on the financial statements.

This section is effective for fiscal years beginning on or after April 1, 2017. Early adoption is permitted. The City does not expect application of the new Standard to have a material effect on the consolidated financial statements.

PS 3210 Assets

In June 2015, new PS 3210 Assets was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section provides guidance for applying the definition of assets set out in PS 1000 Financial Statement Concepts. The main features of this standard are as follows:

Assets are defined as economic resources controlled by a government as a result of past transactions or events and from which future economic benefits are expected to be obtained. Economic resources can arise from such events as agreements, contracts, other government's legislation, the government's own legislation, and voluntary contributions. The public is often the beneficiary of goods and services provided by a public sector entity. Such assets benefit public sector entities as they assist in achieving the entity's primary objective of providing public goods and services.

A public sector entity's ability to regulate an economic resource does not, in and of itself, constitute control of an asset, if the interest extends only to the regulatory use of the economic resource and does not include the ability to control access to future economic benefits.

PAGE 5 OF 14

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

A public sector entity acting as a trustee on behalf of beneficiaries specified in an agreement or statute is merely administering the assets, and does not control the assets, as future economic benefits flow to the beneficiaries.

An economic resource may meet the definition of an asset, but would not be recognized if there is no appropriate basis for measurement and a reasonable estimate cannot be made, or if another Handbook Section prohibits its recognition. Information about assets not recognized should be disclosed in the notes.

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The City does not expect application of the new Standard to have a material effect on the consolidated financial statements.

PS 3320 Contingent Assets

In June 2015, new PS 3320 Contingent Assets was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section establishes disclosure standards on contingent assets. The main features of this Standard are as follows:

Contingent assets are possible assets arising from existing conditions or situations involving uncertainty. That uncertainty will ultimately be resolved when one or more future events not wholly within the public sector entity's control occurs or fails to occur. Resolution of the uncertainty will confirm the existence or non-existence of an asset.

Passing legislation that has retroactive application after the financial statement date cannot create an existing condition or situation at the financial statement date.

Elected or public sector entity officials announcing public sector entity intentions after the financial statement date cannot create an existing condition or situation at the financial statement date.

Disclosures should include existence, nature, and extent of contingent assets, as well as the reasons for any non-disclosure of extent, and the bases for any estimates of extent made.

When a reasonable estimate can be made, disclosure should include a best estimate and a range of possible amounts (or a narrower range of more likely amounts), unless such a disclosure would have an adverse impact on the outcome.

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The City does not expect application of the new Standard to have a material effect on the consolidated financial statements.

PS 3380 Contractual Rights

In June 2015, new PS 3380 Contractual Rights was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). This new Section establishes disclosure standards on contractual rights, and does not include contractual rights to exchange assets where revenue does not arise. The main features of this Standard are as follows:

Contractual rights are rights to economic resources arising from contracts or agreements that will result in both an asset and revenue in the future. Until a transaction or event occurs under a contract or agreement, an entity only has a contractual right to an economic resource. Once the entity has received an asset, it no longer has a contractual right. Contractual rights are distinct from contingent assets as there is no uncertainty related to the existence of the contractual right. Disclosures should include descriptions about nature, extent, and timing.

PAGE 6 OF 14

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. The City does not expect application of the new Standard to have a material effect on the consolidated financial statements.

PS 3430 Restructuring Transactions

In June 2015, new PS 3430 Restructuring Transactions was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section establishes disclosure standards on contingent assets. The main features of this Standard are as follows:

A restructuring transaction is defined separately from an acquisition. The key distinction between the two is the absence of an exchange of consideration in a restructuring transaction. A restructuring transaction is defined as a transfer of an integrated set of assets and/or liabilities, together with related program or operating responsibilities that does not involve an exchange of consideration. Individual assets and liabilities transferred in a restructuring transaction are derecognized by the transferor at their carrying amount and recognized by the recipient at their carrying amount with applicable adjustments.

The increase in net assets or net liabilities resulting from recognition and derecognition of individual assets and liabilities received from all transferors, and transferred to all recipients in a restructuring transaction, is recognized as revenue or as an expense. Restructuring-related costs are recognized as expenses when incurred.

Individual assets and liabilities received in a restructuring transaction are initially classified based on the accounting policies and circumstances of the recipient at the restructuring date. The financial position and results of operations prior to the restructuring date are not restated. Disclosure of information about the transferred assets, liabilities and related operations prior to the restructuring date by the recipient is encouraged but not required.

The Section is effective for new restructuring transactions that occur in fiscal periods beginning on or after April 1, 2018. Earlier application is encouraged. The City does not expect application of the new Standard to have a material effect on the consolidated financial statements.

2. CONTINGENT LIABILITIES AND COMMITMENTS

- (a) Regional District debt is, under the provisions of the Local Government Act (Section 836), a direct, joint and several liability of the District and each member municipality within the District, including the Corporation of the City of Courtenay. Readers are referred to the Comox Valley Regional District 2016 Audited Financial Statements for specific information and detail.
- (b) Principal repayments on long-term debt in each of the next five years are estimated as follows:

2017.	\$ 951,244
2018	951,899
2019	934,845
2020	935,534
2021	 885,800
	\$ 4,659,322

PAGE 7 OF 14

(c) The Municipality is obligated to collect and transmit the tax levies of the following bodies:

Provincial Government – Schools
Comox Valley Regional District
Comox-Strathcona Regional Hospital District
Municipal Finance Authority
British Columbia Assessment Authority
Vancouver Island Regional Library
Downtown Courtenay Business Improvement Area

These levies are not included in the revenues of the Municipality.

(d) As at December 31, 2016, there existed outstanding claims against the City. These claims have been referred to legal counsel and to the City's liability insurers. It is not possible to determine the City's potential liability, if any, with respect to these matters. Management has determined that any potential liabilities arising from these outstanding claims are not significant.

3. PENSION LIABILITY

The employer and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The board of trustees, representing plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula. As at December 31, 2015, the Plan has about 189,000 active members and approximately 85,000 retired members. Active members include approximately 37,000 contributors from local government.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate is then adjusted to the extent there is amortization of any funding deficit.

The most recent actuarial valuation as at December 31, 2015 indicated a \$2.224 billion funding surplus for basic pension benefits on a going concern basis. The next valuation will be as at December 31, 2018 with results available in 2019.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate with the result that there is no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

The City of Courtenay paid \$867,334 (2015 - \$809,258) for employer contributions to the Plan in fiscal 2016.

PAGE 8 OF 14

4. HOST FINANCIAL ASSISTANCE AGREEMENT

The City of Courtenay is a host community for a casino gaming facility operated under agreement with the British Columbia Lottery Corporation. The City receives a percentage of the net gaming income generated by the Chances Courtenay Gaming Centre to be used for public benefit through a quarterly unrestricted transfer from the Province of British Columbia.

5. FEDERAL GAS TAX AGREEMENT FUNDS

Gas Tax Agreement funding is provided by the Government of Canada. The use of the funding is established by a funding agreement between the local government and the Union of British Columbia Municipalities. Gas Tax Agreement funding may be used towards designated public transit, community energy, water, wastewater, solid waste and capacity building projects, as specified in the funding agreements.

The City of Courtenay received the first contribution of Gas Tax funding in 2005 and reports the balance in a General Fund Reserve – New Works Community Gas Tax Funds (Schedule 2) until it is used to fund the specified projects outlined in the funding agreement. Interest is accrued and allocated monthly to the balance.

Following is a schedule of Gas Tax receipts and disbursements received in 2016 with comparatives to 2015.

	2016	2015
Opening Balance of Unspent Funds	\$ 3,735,925	\$ 4,008,322
Additions: Amounts Received During the Year Interest Earned	1,069,107 15,865	1,034,277 20,774
Deductions: Amount Spent on Projects	(87,500)	(1,327,448)
Closing Balance of Unspent Funds	\$ 4,733,397	\$ 3,735,925

7. TRUST AND ENDOWMENT FUNDS

CEMETERY PERPETUAL CARE FUND

(a) The Cemetery Perpetual Care Fund has been assigned to the City to be administered as directed by statute. The City holds the assets for the benefit of, and stands in fiduciary relationship to, the beneficiary. Following is a summary of the financial position and activities for 2016 and 2015, which has been excluded from the City's financial statements.

FINANCIAL POSITION	AREFORD	FINANCIAL ACTIVITIES	CILD	
•	2016 2015	_	2016	2015
Financial Assets		Revenue		
Cash on Hand	\$ 82,201 \$ 71,736	Fees Levied	\$ 9,711	\$ 11,966
Investments - MFA	236,023 234,169	Interest Revenue	2,608	2,696

Interest Payable to City	5,303 2,696	Interest Expense	2,608	2,696
Net Financial Position	\$ 312 921 \$ 303 209	Excess Revenue over Expenditure	\$ 9.711	\$ 11.966

CEMETERY PERPETUAL CARE FUND

(b) The Sid Williams Theatre has endowment funds on deposit with the Comox Valley Community Foundation in the amount of \$384,442 (2015 - \$323,031). The principal amount of this endowment cannot be utilized or withdrawn and as such are not considered assets of the City of Courtenay. The endowment funds are not reported as an asset on the statement of financial position.

8. DEFERRED REVENUE - OTHER

Other Deferred Revenue recorded in the Liability section of the City's Financial Statements consists of the revenues related to Development Cost Charge instalment payments owing from Developers and to be received in future years, business license revenue levied and to be recognized in future years, Government transfers received prior to revenue recognition criteria being met, and gift certificates issued and to be redeemed in future years at the Sid Williams Theatre. Following is a breakdown of the change in this balance for 2016 and 2015:

	 2016	2015
Opening Balance	\$ 1,713,694 \$	2,501,039
Additions to Deferred Revenue Revenue Recognized	1,406,868 (1,710,791)	1,700,823 (2,488,168)
Ending Balance Deferred Revenue Other	\$ 1,409,770 \$	1,713,694

PAGE 11 OF 14

9. MFA DEBT RESERVE FUNDS

The City secures its long term borrowing through the Municipal Finance Authority. As a condition of these borrowings a portion of the debenture proceeds are retained by the Authority as a debt reserve fund. These funds are not reported in the financial statements as they are eliminated upon consolidation. As at December 31, 2016 the City had debt reserve funds of \$327,368 (\$318,466 in 2015).

10. EMPLOYEE RETIREMENT BENEFIT LIABILITY

Employees with 10 years of continuous service retiring under the terms of the Municipal Superannuation Act are entitled to a payout of up to 72 days of their accumulated unused sick leave bank and up to a maximum of 8 additional severance days for each year of service in which the employee used no sick leave. Additionally, upon death of the employee, the bank, up to a maximum of 72 days, will be payable to the employee's life benefit beneficiary. The value of this liability is calculated by an Actuary engaged by the City and reflects the likelihood that all eligible City employees will become entitled to this benefit. Actuarial valuation assumptions for 2016 were based on an interest (discount) rate of 3.3% per annum (2015 - 3.10%). The total estimated employee retirement benefit liability at December 31, 2016 is \$926,000 (\$875,700 in 2015) and is included in the accounts payable balance on Statement A. Following is a breakdown of the benefit liability:

	2016	2015
Accrued benefit liability at beginning of year	875,700	892,500
Expense	124,300	114,800
Benefit Payments	(74,000)	(131,600)
Accrued benefit liability at end of year	\$ 926,000_	\$ 875,700

PAGE 12 OF 14

11. CONSOLIDATED SEGMENT DISCLOSURE BY SERVICE

The City of Courtenay Consolidated Financial Statements includes the financial activities of various services made available to the community. Following is a description of the types of services included in each of the main service segments of the City's financial statements. A detailed summary of the 2016 revenues and expenses with 2015 comparatives for each segment can be found in Schedule 1 of the accompanying financial statements.

General Government Services

Provide services related to general corporate and legislative administration as well as human resources, information technology, financial management, and revenues received from the Province related to gaming.

Protective Services

Includes services related to providing fire protection, bylaw enforcement, and building inspection to the City, as well as the City's share of expenses related to providing police protection to the Comox Valley.

Transportation Services

Includes the delivery of municipal public works services related to planning, development and maintenance of roadway systems, street lighting, and other public works and engineering related services

Environmental Health Services

Includes services related to the collection of garbage, recycling, and yard waste, as well as environmental testing and monitoring.

Public Health and Welfare Services

Includes cemetery services.

Environmental Development Services

Includes services related to planning, zoning, sustainability, and hotel taxes, as well as actions relating to homelessness.

Recreational and Cultural Services

Provides recreation and leisure services to the community and includes parks and facilities that allow for fitness, aquatic, cultural, and other activities for the public to enjoy.

Water Utility Services

Provides for the delivery of water to users and includes the planning, development and maintenance of the City's water infrastructure.

Sewer Utility Services

Provides for the delivery of sewerage removal and includes the planning, development and maintenance of the City's sewer infrastructure.

Other Services

Includes the operations of the Sid Williams Theatre.

PAGE 13 OF 14

12. TANGIBLE CAPITAL ASSET DETAILS

(See Schedule 3 for further details)

Contributed capital assets received and recognized in the year from developers, for various infrastructure works and related land and parks, and recorded on the financial statements in 2016 is \$3,606,717 (\$3,027,059 in 2015).

Tangible capital assets include land under the City's roads, recorded at a nominal amount.

Art and historic treasures are displayed at various city facilities and consist of paintings, historical photographs, sculptures, carvings, and other cultural artefacts. These items have not been included in tangible capital assets due to the inability of estimating future benefits associated with such property.

PAGE 14 OF 14

13. RESTATEMENT OF 2016 BUDGET

The budget amounts presented throughout these financial statements are based upon the Five Year Financial Plan approved by Council on May 9, 2016 except in regard to budget amounts for amortization, developer contributions for tangible capital assets, gains and losses on tangible capital asset disposals, and the use of debt, reserves and prior year surpluses.

The budget amounts presented throughout these financial statements for the tangible capital asset related budgets are the actual values determined at the completion of the municipalities' tangible capital asset accounting process. These values have been added to the May 9, 2016 budget and actual values in the Financial Statements.

The summary below shows the adjustments to the May 9, 2016 budget approved by Council after adjusting the budget values by the actual revenues and expenses incurred for tangible capital asset related items (amortization, developer contributions for tangible capital assets, and gains and losses on tangible capital asset disposals) and other transfers that were not included in the approved 2016 budget.

Adjustments to 2016 Budgeted Annual Surplus

Budgeted Surplus per Council approved Budget	\$ -
Sid Williams Theatre	2,374
Amortization	(4,890,442)
Capital Contributions	3,606,717
Purchase of Capital Assets	6,069,983
PSAB Adjustments	(957,082)
Use of Prior Year Surplus	(5,577,100)
Debt principle repayments in Financial Plan	950,605
Transfers to Reserves (net)	4,085,482
Budgeted Surplus per Consolidated Statement of Operations	 3,290,537
