

Construction Notice

3rd Street from Cliffe Avenue to England Avenue Street Reconstruction Project

The City of Courtenay has awarded the 3rd Street reconstruction project to Knappett Industries Ltd. Construction is scheduled to begin on Monday August 22, 2016 with completion planned by October 14, 2016.

The project will include:

- Full pavement reconstruction
- Reconstruction of traffic circle
- New concrete curb & gutter
- New concrete sidewalks
- Replace driveways to property line
- Expanded grass boulevard
- Replace water, storm and sanitary mains and services

Access to your property will be restricted at times, and you may be unable to park in your driveway and be required to park outside of the construction work area. There will also be intermittent disruptions to your water service. Knappett will work with residents to accommodate any access or construction related matters and will make every attempt to notify residents in advance of access and parking matters affecting individual properties. A minimum of 48 hours' notice will be given before any planned water shut-offs.

Traffic control personnel will be on site to direct vehicles, pedestrians and cyclists within the work area. However, the work area will be limited to local traffic only.

Contact Information

If you have any questions in regards to this project, kindly contact Nathan Robertson, ASCT, Engineering Technologist, City of Courtenay at (250) 334-4441 extension 224 or nrobertson@courtenay.ca
