## **Acknowledgement of Responsibility and Undertakings**

The undersigned being the owner/agent for the owner of the property herein described hereby makes application for a permit to undertake the work as set forth in this application. I agree to conform to all requirements as may be specified by the City of Courtenay Building Bylaw and any other applicable Bylaw or Regulation in force in the City of Courtenay.

Neither the issuance of the Permit nor the approval of the drawings and specifications submitted as part of this application, by the City of Courtenay Building Inspection Department or designates thereof, shall, in any way relieve the applicant from the responsibility of ensuring the construction for which this permit issued, is carried out in conformity with the requirements of the Building Bylaw and any other applicable Bylaws and Regulations, nor prevent the Building Inspector, or his designate from requiring correction of any errors in construction or violation of the Building Bylaw or other applicable Bylaw or Regulations.

The issuance of a building or occupancy permit is not a warranty that the building complies in every respect with the Building Code or meets any particular standard of construction, and that the owner is responsible for ensuring that the building for which application is made complies with the Building Code and other applicable enactments.

The undersigned owner/authorized agent of the owner makes an application as specified herein, and declares that the information submitted in support of the application is true and correct in all respects.

Owner (Signature) (Print Name) (Date)

Personal information collected on this form is collected for the purposes of processing this building permit application and for administration and enforcement. The personal information is collected under the authority of the *Local Government Act*, the City of Courtenay's Building Bylaw and pursuant to section 26 of the *Freedom of Information and Protection of Privacy Act*

## City of Courtenay Bylaw No. 3114 Appendix C- Owner's Undertaking

Prope	rty Address:
Lega	Description:
1.	This undertaking is given by the undersigned, as the <i>owner</i> of the property described above, with the intention that it be binding on the <i>owner</i> and that the <i>City</i> will rely on same.
2.	I confirm that I have applied for a building permit pursuant to "Building Bylaw No. 3114" (the "Bylaw") and that I have carefully reviewed and fully understand all of the provisions of the Bylaw and in particular, understand, acknowledge and accept the provisions describing the purpose of the Bylaw, the conditions under which <i>permits</i> are issued, the disclaimer of warranty or representation and the limited extent of the scope of the Bylaw and inspections thereunder.
3.	Without in any way limiting the foregoing, I acknowledge fully that it is my responsibility to ensure compliance with the Building Code and the Bylaw whether any work to be performed pursuant to the permit applied for is done by me, a contractor or a registered professional.
4.	I am not in any way relying on the City or its building officials, as defined under the Bylaw, to protect the owner or any other persons as set out in Part 3 of the Bylaw and I will not make any claim alleging any such responsibility or liability on the part of the City or its building officials.
5.	I hereby agree to indemnify and save harmless the City and its employees from all claims, liability, judgments, costs and expenses of every kind which may result from negligence or from the failure to comply fully with all bylaws, statutes and regulations relating to any work or undertaking in respect of which this application is made.
6.	I am authorized to give these representations, warranties, assurance and indemnities to the City.

### City of Courtenay Bylaw No. 3114

#### Appendix E -Damage to City Infrastructure Repair Agreement

Home-owners and builders are responsible for ensuring that the City of Courtenay infrastructure is not damaged during construction. This includes but is not limited to damage to curbs, sidewalk, water valve risers, water metres and cleanouts and actively protecting the storm drain system from deleterious materials. Any damage found by City staff following the statlof construction will be deemed to be your responsibility. You, as the home-owner or builder, are responsible for actively protecting the City of Courtenay infrastructure including but not limited to placing protective materials and barriers around City infrastructure and by strictly adhering to sediment control procedures.

It would be advisable to inspect your property, the adjacent public boulevard and the downstream catch basins for damage prior to taking control of the property or applying for a building permit. In the event that you find a problem, you should document it and inform the City of Courtenay Development Services Department immediately by contacting (250) 703-4862 or building@courtenay.ca.

Department immediately by contacting (250) 703-4862 or building@courtenay.ca.

Damage to individual utilities such as BC Hydro, Telus, Shaw, or FortisBC should be reported immediately to the respective utility company as well as the City of Courtenay's Development Services Department.

After reviewing the above information, please indicate one of the following by completing the following:

No damages to said City of Courtenay property was found prior to the start of construction

Damage has been found to the City of Courtenay infrastructure (see below)

Please describe damage below and submit this form along with pictures of the damage:

I, , the duly authorized signatory for the person, company or strata corporation applying for a building permit have inspected all visible City works and services (curb, sidewalk, street-lighting, water service caps, etc) in front of or on the property located at acknowledge and understand that I am responsible for all costs associated with repairing all damage not note above to the standards established by the City of Courtenay.
