Bylaw No. 3001, 2020
Appendix C – Owner’s Undertaking

Property Address: _____

Legal Description: _____

Building Permit #: _____

1. This undertaking is given by the undersigned, as the *owner* of the property described above, with the intention that it be binding on the *owner* and that the *City* will rely on same.
2. I confirm that I have applied for a *building permit* pursuant to “*Building Bylaw* 2020, No. 3001, 2020” (the “*Bylaw*”) and that I have carefully reviewed and fully understand all of the provisions of the *Bylaw* and in particular, understand, acknowledge and accept the provisions describing the purpose of the *Bylaw*, the conditions under which *permits* are issued, the disclaimer of warranty or representation and the limited extent of the scope of the *Bylaw* and inspections thereunder.
3. Without in any way limiting the foregoing, I acknowledge fully that it is my responsibility to ensure compliance with the *Building Code* and the *Bylaw* whether any work to be performed pursuant to the *permit* applied for is done by me, a contractor or a *registered professional*.
4. I am not in any way relying on the *City* or its *building officials*, as defined under the *Bylaw*, to protect the *owner* or any other persons as set out in Part 3 of the *Bylaw* and I will not make any claim alleging any such responsibility or liability on the part of the *City* or its *building officials*.
5. I hereby agree to indemnify and save harmless the *City* and its employees from all claims, liability, judgments, costs and expenses of every kind which may result from negligence or from the failure to comply fully with all bylaws, statutes and regulations relating to any work or undertaking in respect of which this application is made.
6. I am authorized to give these representations, warranties, assurance and indemnities to the *City*.

Appendix E – Damage to City Infrastructure Repair Agreement

Home-owners and builders are responsible for ensuring that the City of Courtenay infrastructure is not damaged during construction. This includes but is not limited to damage to curbs, sidewalk, water valve risers, water metres and cleanouts and actively protecting the storm drain system from deleterious materials. Any damage found by City staff following the start of construction will be deemed to be your responsibility. You, as the home-owner or builder, are responsible for actively protecting the City of Courtenay infrastructure including but not limited to placing protective materials and barriers around City infrastructure and by strictly adhering to sediment control procedures.

It would be advisable to inspect your property, the adjacent public boulevard and the downstream catch basins for damage prior to taking control of the property or applying for a building permit. In the event that you find a problem, you should document it and inform the City of Courtenay Development Services Department immediately by contacting (250) 703-4862 or building@courtenay.ca.

Damage to individual utilities such as BC Hydro, Telus, Shaw, or FortisBC should be reported immediately to the respective utility company as well as the City of Courtenay's Development Services Department.

After reviewing the above information, please indicate one of the following by completing the following:

<input type="checkbox"/>	No damages to said City of Courtenay property was found prior to the start of construction
<input type="checkbox"/>	Damage has been found to the City of Courtenay infrastructure (see below)

Please describe damage below and submit this form along with pictures of the damage:

--

I, _____, the duly authorized signatory for the person, company or strata corporation applying for a building permit have inspected all visible City works and services (curb, sidewalk, street-lighting, water service caps, etc) in front of or on the property located at _____ and do acknowledge and understand that I am responsible for all costs associated with repairing all damage not note above to the standards established by the City of Courtenay.
