It's looking like a busy spring ahead filled with bug identifying, planting seeds, exploring more of our outdoors and discovering with experiments.

We are currently taking names for registration for September 2026 for those children currently registered, and siblings wishing to attend preschool in September. Please email rchurchill@courtenay.ca if your interested in your child being added to our September 2026 programs before spaces are gone.

September classes available:

This month we will be welcoming a new practicum student. They will be attending our preschool starting April 21st - through to June 18th (Monday - Thursdays). Please help me welcome our new student when they arrive.
